Hi Curtis,

Thank you for reaching out and thinking of Founder Shield!

I wanted to let you know we received your application and all looks good. We did notice that the company website link provided was no longer functioning. Would you be able to supply us with a working link? Underwriters will need to do their own due diligence when preparing a quote including checking out your company site.

As soon as that is in I can trigger next steps for getting you quotes.

In the meantime, if you have any questions please do not hesitate to reach out! Happy to hop on a call to discuss as well.

All the best and talk soon,

Jake O'Riordan
