April 21, 2021,

Trayvon Wilburn,
Iota Psi Chapter (OSU, Columbus)
Omega Psi Phi Fraternity,
1739 N. High St
Columbus, OH 43210

My name is James Edward Curtis Jr. I am a 1998 member of Mu Iota chapter, 1998 M.A. recipient from OSU, and 2000 PhD Candidate, Department of Economics, OSU. I am also the former (1) banquet organizer for Mu Iota Chapter, (2) Delegate to District meetings, (3) Delegate for the 2000 National Conclave, Indianapolis, Indiana, (4) Pan-Hellenic Council representative for Mu Iota Chapter, (5) Organizer of the Pan-Hellenic Council picnic for the Columbus NPHC, (6) second signature on re-activating the Iota Psi Chapter, and (7) Step Show participant, around the years 1998-2001.

Several years later, I sent some complaints to Chris Cooper, while experiencing housing difficulty, in which there was no response.

The Ohio State University recently sent an unrequested email concerning National Pan-Hellenic Council groundbreaking and a virtual webinar, April 21, 2021.

The question is, before I decide to attend the NPHC virtually, is an Iota Psi chapter, or a Mu Iota chapter involved in the April 21, 2021 NPHC groundbreaking?

Thank you,
