4330 James:

4331
4332 Thank you for the additional information. I have discussed this with our Graduate program Coordinator
4333 and, given this information, it will not be possible for us to reactivate you into the PhD program
4334 as you have an HPhD from EF.

4335
4336 Let me explain why below:

4337
4338 1) Your transcript from EF shows transferred coursework from OSU. When courses are transferred
4339 and applied to a degree at another institution they cannot be transferred back to the original institution
4340 for a degree. That would be a double counting of courses across two institutions.

4341
4342 2) Given (1) above, you would not be able to apply the OSU coursework that you had
4343 as a graduate student at OSU. That coursework is needed to fulfill the requirements for a PhD.
4344 The dissertation is only in partial fulfillment of the degree.

4345
4346 3) More generally, it is not possible for individuals to obtain PhDs in similar disciplines.
4347 Since the coursework you took at OSU in economics is used for the requirements for your HPhD,
4348 awarding you another doctoral degree in economics from OSU would be inappropriate.

4349
4350 Please let me know if you have any additional questions.

4362 001 Doctor Logan,

4363
4364 002 EF [EF ≡ Education Foundation] courses were completed through credit transfers from
4365 the University of Texas Austin, OSU and Seminars, including the University of Michigan Ann Arbor.

4366
4367 003 EF courses were completed through credit transfers from these institutions and a
4368 H.Ph.D. [HPhD, H.Ph.D. ≡ Honorary Doctorate of Philosophy] was completed, within a year, without ceremony.

4369
4370 004 Is there additional information that you or others might need for employment consideration, research grants,
4371 and/or research seminar presentation opportunities?
