1. Each day there are new experiences. **2.**
You have a law degree, and I have two small law journal publications and two book publications, a third forthcoming. 3. Based on your law degree, can I put your name, phone number, professional affiliation, and professional email address, on a list of recommenders for i. university administrator, ii. university social science researcher, and iii. university social science teacher jobs?

4. My goal is to improve my quality of life and in doing so, improve the quality of life of others.

Btw. Didn't you sue the
Bruhs for mental hazing
since birth?

1. Thank you for your concern. 2. I have tried to stay in touch with others, including Chris Cooper and Sean Leavy. 3. (Presently), I am attending research conferences and writing books. 4. I hope to be able to afford a conference in Columbus Ohio at the end of next month. 5. If you would like to help to make these and other endeavors a success, do not hesitate to contact me.

3:31 AM

Thanks for sharing

So, did you sue da
Bruhs or what? What
kind of books are you
writing? What kind of
conference are you
planning? And what's
with the numbered
sentences?

4:21 PM

1. Thank you for interest. Sorry for the numbers. 2. I have had difficulty getting the interest and time to talk with professionals in your world, about arbitration issues, either due to i. high retainer fees, or ii. the lack of professionals available in the type of arbitration requested, and iii. I have not gotten any responses. 3. Thus, I have tried to recapture a life alone, with exciting business , religion, research and teaching opportunities, including recently, possibly attending an applied stats conference in Columbus towards the end of next month.

"... 10 30 pm, 5030 1st St NW 301, WDC 20011,

It looks like my schedule keeps changing. I had (an) unscheduled interview... for an award (with a fee), distracted by loitering (and) unfamiliar behavior, including crowding (of) deliveries of purchases and home office (and) residential entrances, and (the crowdfunding of deliveries included deliveries) partially rewarded with Amazon.com, UPS, USPS delivery of purchases, and (delivery of) life long learning (i.e. schooling) certificates.

Thanks for calling several days ago. If a routine conversation ... opportunity (is available, at no cost to you and I), I look forward to making that happen.

James Edward Curtis Jr, 12027187796, jamesedwardcurtisjr@yahoo.com."
