The Center for Teaching, Research, and Learning, in collaboration with the University Library, invites you to attend the August Faculty Workshops—a workshop series focusing on innovative approaches to teaching and research, specially designed to help you get ready for the new academic year. The workshop series features 30 sessions over the course of three days, as well as three luncheons with presentations related to teaching, research, or technology. A light breakfast and lunch will be provided on each workshop day.
