59. Hi SRB,
60. You can change the Font color of text using the Admin Credentials (Already shared with you) and in the editor box (the same you have been using for editing the text).
61. If any specific text color you need to change, please let me know if you face challenge.
62. About the new password, in aahea account,
63. Because you are using a Zoho Business mail on aahea account, adding any new mailbox will add a charge of about 40 USD per annum. Kindly confirm if I should raise additional invoice for this.
64. Also, the username AccreditationOfficer.JamesCurtisJr is too long and may not be compatible in some systems and may be unusable for your in future for some systems. This is better suggestible to have like 'AccreditationOfficer@aahea.org' of this suffice your need.
65. As you confirm, I will add the email and share the credentials with you.
66. Regards,
67. DJ
