(4/7/2021, I enjoyed our brief conversation (with Dr. James Curtis, Jr) and look forward to working with (Dr. James Curtis, Jr) in the future. (For instance), We can use a general monthly or quarterly article pursuant to education, accreditation, etc. Of course we want to give our membership and private accreditation a boost as well. We can post the article on our site, as well as individual distribution. Dr. Campbell is our VP and Chief Accrediting Officer, and could also use a strategic person such as (Dr. James Curtis, Jr). We could also come up with a title for (Dr. James Curtis, Jr), 2021 AAHE/AAHEA,Curtis Jr).
